VINTAGE WOOD, URBAN SETTING

PARTNER WITH US TO ACHIEVE YOUR VISION

urban woods company

RE: MADE IN AMERICA

we restore rich history that has been lost for decades. we build relationships with clients and dreamers.

your vision is of utmost importance to us. from initial concept and product selection, to final installation, we are here to ensure your design intent comes to life. we make it easy to create specialty mixes and product variations to help you build a unique space. we work with you to fabricate custom tables, cabinetry, ceiling elements and one of a kind creations.

our materials have all been reclaimed from barns, farm buildings and warehouses throughout the united states. we re-store and re-purpose each board, to enhance its natural patina and character. through our processing, we provide the highest quality reclaimed materials for use in commercial, residential, hospitality and faith based projects.
